FROM THE FRONT DESK

Principal’s Report

As we draw quickly towards the end of a ten week term we can look back and reflect on all that has been achieved in our first semester of 2015. First and foremost would be the settling in of the youngest members of our school community and how wonderfully well they have achieved this. Kindergarten students now have commenced to understand the structure of the days of the week at school and are working very well in their classroom environments. They are a very settled group of students and are working well in their classrooms.

As we settle down for the final week of term students can be congratulated for the way that they conducted themselves this semester.

When you have concerns or worries about any aspect of your child’s development, please discuss them with the staff member who you consider most appropriate for the occasion. If your concerns are about things that are happening in the classroom please first talk with your child’s classroom teacher. We will assure you of confidentiality and you will be listened to most seriously. If your concerns still continue, feel free to discuss them with one of the Assistant Principal’s or myself who will liaise between you and staff if necessary.

This is the final Newsletter for Term 2 so we wish all families an enjoyable break from preparing school lunches, getting up early to catch buses and all the other routines that impede our daily lives.

Relish the two week break! Stay Safe!

Fua Pelesasa
(Relieving Principal)

Uniforms

The wearing of our Tregear School Uniform is compulsory. It helps promote a pride in the school and promotes the school image within our community and in places beyond. Children are requested to wear full school uniform at school and when they are leaving the school grounds on School Excursions and PSSA. We are fortunate to have our uniforms sold in the office. Please also check the lost property for clothing. We appreciate your support in this matter.

PSSA Sydney West Rugby League Representative

Congratulations to Sione Neiufi who was selected for the Sydney West Rugby League Opens team. Sydney West has always taken a strong side and this year is no different. We wish Sione and the team all the best during the tournament.
Make Online Payments
From today it will be possible for parents to make online payments to the school for amounts owing for students, via a secure payment page hosted by Westpac. Payments can be made using either a Visa or MasterCard credit or debit card. The payment page is accessed from the front page of the school's website by selecting $ Make a payment.

Items that can be paid include voluntary school contributions, subject contributions, excursions, sales to students and creative and practical arts activities (these include band, drama and dance).

There is also a category called Other. This is to cover items not covered in the previous headings. Other can be used to make a complete payment of a school invoice.

When you access the $ Make a payment you must enter:
the students name, and
class and reference number OR
the students name, and
date of birth.
These details are entered each time you make a payment as student information is not held within the payment system.

This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner, these details are not passed back to the school.

You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed and/or printed.

Details of the payments are passed daily to the school where they will be receipted against your child's account. As a receipt has been issued from the payment page a further receipt will not be issued by the school.

For any enquiries regarding the Online Payment process please contact the School Administration Office.

The Multicultural Perspectives Public Speaking Competition
Four of our students took part in the Multicultural Perspectives Public Speaking Competition which was held at Doonside Public School last Wednesday. Congratulations to Dominic Bottrell, Aaron De Belin, Kayla Austin and Tahleisha Pugh. Students needed to present a prepared speech and follow this with an impromptu speech which was totally unrehearsed. We were impressed by the high standard of our competitors. Public speaking is not an easy thing to do but our students approached this task with confidence and enthusiasm. Congratulations to all of our students for being so well prepared and speaking beautifully. A special congratulations to Tahleisha who was awarded a Highly Commended Award.

Road Safety Messages
- Wherever possible, cross the road at a designated pedestrian crossing facility
- Stop! Look! Listen! Think! When crossing the road
- Take care whenever you cross
- Don’t run across the road

Awards
