Principal's Report
We have certainly hit the ground running this Term with all our students engaged in all learning areas within our School. You may have noticed our 1st Tregear News Flash which your child came home with last week. Remember, this does not take place of the Newsletter but allows Teachers to inform parents of events as they come to hand.

When you have concerns or worries about any aspect of your child’s development, please discuss them with the staff member who you consider most appropriate for the occasion. If your concerns are about things that are happening in the classroom please first talk with your child's classroom teacher. We will assure you of confidentiality and you will be listened to most seriously. If your concerns still continue, feel free to discuss them with one of the Assistant Principal’s or myself who will liaise between you and staff if necessary.

We look forward to working with your children this Term.

The Yarramundi Kids
As Part of our Naidoc Celebrations, our students were lucky to see The Yarramundi Kids dynamic storytellers. They currently present their highly acclaimed 13 part TV series currently on NITV.

The Yarramundi Kids performed the STRONG, SMART AND DEADLY SHOW for our children K-6. The show included puppets, stories, and songs. It entertained and educated our children about showing strength, being resilient, problem solving skills, identifying anti-bullying behaviour, making the right choices, dealing with consequences and the importance of culture, family and friends. It was a great show enjoyed by all.
P&C News

Swim School
Places are filling up quickly for our Annual Swim School program. Swimming is a vital skill that everyone in Australia needs to master. Places are available to any student from Year 2 to Year 6 but you must be quick. The program will run in Week 5, Monday 10th August to Friday 14th August at Emerton Leisure Centre at a cost of $39.00.

Stage 2 Camp
This year, Stage 2 will be attending camp at the Brewongle Environmental Education Centre. We will sleep overnight on the 8th of October and be back at school the next day. The cost is $85.00. Places are limited, so please be quick returning the permission note and deposit.

Peer Support - Types of Friends
Types of friends is the focus in Peer Support this week. Children will explore what encourages them to form friendships with different people (common interests, admirable qualities etc). Through various activities children will identify that their friends can fall into the categories of ‘best friends’, ‘friends’ and ‘people we know’. Children will also discuss the fact that friendships can change over time for various reasons.
Discuss with your child the different friends they have in their lives and how friendships may change. Some friends may be more important at different times in their lives.
